

RIHMAKURU

Google GPS:

658.110356 24.157581

Location:

Rihmakuru cottage is located in Raattama, close to the Pallas fell in the middle of swamp area. You can reach it from the main road by following signs marked as "SRL" or "Harrisaja".

Description:

There are three log cabins in the area, called Rihma 1, Rihma 2 and Rihma 3. Each of them will take 5 persons. There also is a wooden cabin (Jalasmökki) for 2-4 persons. There also is a wood storage building and a sauna.

All cabins have electricity, mattresses and kitchen utensils. Log cabins have gas-range cookers, fireplace and electric heaters. The Jalasmökki has an electric heater and electric cooker.

The electricity for the whole area is switched on/off using the main switch board behind the Rihma 2.

Coming to Raattama:

The nearest railway station is Kolari (995km from Helsinki). Local bus connection from the train/from the Kolari railway station goes via Muonio to Raattama and further to the hotel Vuontispiirtti, and it takes about 120km. The nearest airport is Kittilä (flight Helsinki-Kittilä takes about 1.5 hours).
